

### Refer-a-Friend promotion:

Refer-a-friend allows all verified clients to use their referral link to bring friends to Indigo DMA, and get \$10 on their bonus account for each verified refer. These bonus funds are standard bonus funds and they are under all terms and conditions of bonus account.

Referral link can be found on user's dashboard or in affiliate dashboard. To use this link user can:

- give a link face-to-face;
- share this link in social networks;
- post on a website.

In addition to bonus reward, for each referred trader or investor with a deposit, user will get \$5 of real commission for each full trade lot they have done.

Valid referral is a referral with successful verification and become a unique Indigo DMA client. It is possible to refer only one referral from one IP-address. Creating multiple accounts for one person is forbidden. All acts described above will be considered as "fraud-referring". When "fraud-referring" is detected, the bonus account will be blocked and all bonus funds will be frozen.
